## UVOD INTRO

Jubilarni deseti Reboot InfoGamer je tek početak

👉 Pomalo je nevjerojatno što vam možemo zaželjeti dobrodošlicu na jubilarni, deseti po redu, gaming festival i sajam Reboot InfoGamer. Ni u najluđim snovima nismo mogli vjerovati da će se naš nekoć mali sajam pretvoriti u centralni regionalni gaming event koji svake godine u studenom privuče desetke tisuća ljudi na Zagrebački velesajm. Pogotovo nam je to nevjerojatno nakon nekoliko izazovnih godina u kojima smo morali pauzirati sve velike planove koje smo imali nakon epohalnog izdanja 2019. godine. Prošla godina bila je ona povratnička u kojoj smo si još jednom dokazali zašto volimo raditi ovo što radimo i hvala vam svima koje ste nas u tolikom broju opet podržali. Ove godine ne pričamo o povratku već o velikom jubileju, o desetom izdanju sajma tijekom kojeg Zagrebački velesajm ponovno pretvaramo u pravi mali gaming grad. Mogli bismo do prekосуtra nabrajati kakva sve gaming čudesa vas čekaju, koliko beskonačnih giveawaya će se održati na našoj glavnoj pozornici i koliko će se dugovječnih uspomena stvoriti u paviljonima Zagrebačkog velesajma. Želio bih vam, u ime cijelog Reboot tima, čiji predani i neumorni rad, gorući entuzijazam i iskreno prijateljstvo predstavljaju temelje ovog eventa, zaželjeti dobrodošlicu i uživanje u događaju stvorenog od gamera za gamera.

The tenth Jubilee Reboot InfoGamer is just the beginning

👉 It's incredible that we can, once again, welcome you to another edition of Reboot InfoGamer, the biggest regional gaming fair and festival. This year marks the tenth edition of our event and we couldn't, even in our wildest dreams, realise it would grow so much. Each november, Zagreb Fair attracts tens of thousands of people who love gaming, making Reboot InfoGamer the central regional event with a proud 10+ years of tradition. It's even more amazing because we had to stop all of our plans after 2019. that saw the biggest, most impressive edition of Reboot InfoGamer up until that point. Last year was a comeback year for us, but today we're not talking about a comeback but rather a giant celebration that got us to the point where we can, for the tenth time, build a small gaming city in the middle of Zagreb. We could go on and on about all the amazing gaming content waiting you, spectacular giveaways that will take place on the main stage or memories made. All that's left for me is to thank my amazing team without whose tireless and dedicated work, tons of enthusiasm and sincere friendship all of this wouldn't be possible. Welcome to Reboot InfoGamer, a gaming festival made for gamers by gamers.
